

A Workshop on Maternal Collapse with Simulated Scenario was Conducted under the aegis of Association of Obstetric Anesthesiologists on 28th July 2019 at Nanawati Hospital, Mumbai. The module was conceptualized under the leadership of AOA National Secretary, Prof. Kajal Jain, Post Graduate Institute of Medical Education and Research, Chandigarh. Interdisciplinary team comprising of obstetric Anaesth/obstetrician from Chandigarh (PGIMER) and Mumbai trained resident doctors and practising doctors on team building and crisis management during obstetric emergencies. The program highlighted a systematic approach to obstetric emergencies like hemorrhage pre-eclampsia, eclampsia, embolism, sepsis and maternal arrest using a simulated scenario followed by debriefing sessions.
